Mrs. Mary De Pietro,  
195 Walworth Street,  
Brooklyn, New York.

Dear Mrs. De Pietro:

May I inform you that there will be a delay of at least several months before final payment can be made in the Rose Manufacturing Company case. The final settlement of the case in court allows the firm to make installment payments of \$500 a month. It will, therefore, take at least an additional four months before the total amount of back wages due can be collected for final payment.

I assure you that you and the other homeworkers will be notified at the earliest possible date where to report to receive your back wages.

Very sincerely yours,

Raymond Lewis,  
Inspector.
