

U. S. DEPARTMENT OF LABOR
WAGE AND HOUR DIVISION
INTEROFFICE COMMUNICATION

October 30, 1939.

TO: Barbara E. McLoney,
Acting Field Supervisor.

FROM: Charles M. Joseph,
Senior Attorney. *CMJ*

SUBJECT: Harry Edelman,
458 East 51st Street,
Brooklyn, New York.

File No. 31-1387-1

The statement dated October 24th signed by fourteen employees of Rosen seems to indicate widespread current violations. Will you please have Corrigan or anyone whom you choose make a complete inspection which might look toward possible criminal action as a second offense? It seems that Edelman is working hand in hand with Rosen and that Edelman, probably on his own account, is violating the law.
