This will reply to your letter of June 6, 1973, concerning the exemption status of service advisors under Section 13(b)(10) of the Fair Labor Standards Act.

The official position of the Wage and Hour Division is that service salesmen are not exempt, under Section 13(b)(10), from the Act's overtime pay requirements. Accordingly, such employees are entitled to not less than one and one-half their regular rate of pay for all hours worked in excess of 40 in any workweek, unless otherwise exempt as meeting the definition in 29 CFR 541 as executive or administrative employees.

Sincerely,

Ben P. Robertson
Acting Administrator
Wage and Hour Division
