VIII. The hearing will be conducted in accordance with the following rules, subject, however, to such subsequent modifications by the Administrator or the Principal Hearings Examiner as are deemed appropriate:

1. The hearing shall be stenographically reported and a transcript made which will be available to any person at prescribed rates upon request made to the official reporter, Ward & Paul, 1706 L St., N. W., Washington, D.C.

2. In order to maintain orderly and expeditious procedure, each person filing a Notice to Appear shall be notified, if practicable, of the approximate day and the place at which he may offer evidence at the hearing. If such person does not appear at the time set in the notice he will not be permitted to offer evidence at any other time except by special permission of the presiding officer.

3. At the discretion of the presiding officer the hearing may be continued from day to day, or adjourned to a later date, or to a different place, by announcement thereof

at the hearing by the presiding officer, or by other appropriate notice.

4. At any stage of the hearing, the presiding officer may call for further evidence upon any matter. After the presiding officer has closed the hearing before him, no further evidence shall be taken, except at the request of the Administrator, unless provision has been made at the hearing for the later receipt of such evidence. In the event that the Administrator shall cause the hearing to be reopened for the purpose of receiving further evidence, due and reasonable notice of the time and place fixed for such further taking of testimony shall be given to all persons who have filed a notice of intention to appear at the hearing.

5. All evidence must be presented under oath or affirmation.

6. 7. Written documents and exhibits shall be tendered in duplicate and the persons preparing the same shall be prepared to supply additional copies if such are ordered by the presiding officer. Where evidence is embraced in a document containing matter not intended to be put in evidence, such a document will not be received, but the person offering the same may present to the presiding officer the original document together with two copies of those portions of the document intended to be put in evidence. Upon presentation of such copies in proper form the copies will be received in evidence.

8. Such applications shall be timely and

shall identify exactly the witness or document and state fully the nature of the evidence proposed to be secured.

9. Witnesses summoned by the Administrator shall be paid the same fees and mileage as are paid witnesses in the courts of the United States. Witness fees and mileage shall be paid by the party at whose instance witnesses appear, and the Administrator before issuing subpoena may require a deposit of an amount adequate to cover the fees and mileage involved.

10. The rules of evidence prevailing in courts of law or equity shall not be controlling.

Such requests or objections shall become a part of the record, but the record shall not include argument thereon except as ordered by the presiding officer. Objections to the approval of the Committee's recommendation and to the promulgation of a wage order based on such approval must be made at the hearing before the presiding officer.

12. Before the close of the hearing the presiding officer shall receive written requests from persons appearing in the proceeding for permission to make oral arguments before the Administrator upon the matter in issue. These requests will be forwarded to the Administrator by the presiding officer with the record of the proceedings. If the Administrator, in his discretion, allows the request, he shall give such notice thereof as he deems suitable to all persons appearing in the proceeding, and shall designate the time and place at which the oral arguments shall be heard. If such requests are allowed, all persons appearing at the hearing will be given opportunity to present oral argument.

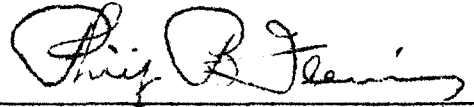

13. Briefs (12 copies) may be submitted to the Administrator following the close of the hearing,

by any persons appearing therein. Notice of the final dates for filing such briefs shall be given by the Administrator in such manner as shall be deemed suitable by him.

14. On the close of the hearing the presiding officer shall forthwith file a complete record of the proceedings with the Administrator. The presiding officer shall not file an intermediate report unless so directed by the Administrator. If a report is filed, it shall be advisory only and have no binding effect upon the Administrator.
