WHEREAS, the Administrator of the Wage and Hour Division of the United States Department of Labor, acting pursuant to Section 5(b) of the Fair Labor Standards Act of 1938 on June 16, 1943, by Administrative Order No. 201, appointed Industry Committee No. 61 for the Meat, Poultry, and Dairy Products Industry, composed of an equal number of representatives of the public, employers in the Industry and employees in the Industry, such representatives having been appointed with due regard to the geographical regions in which the Industry is carried on; and

WHEREAS, Industry Committee No. 61, on July 13, 1943, recommended a minimum wage rate for the Meat, Poultry, and Dairy Products Industry and duly adopted a report containing such recommendations and reasons therefor and filed such report with the Administrator on July 14, 1943, pursuant to Section 8(d) of the Act and Section 511.19 of the regulations issued under the Act; and

WHEREAS, the Administrator is required by Section 8(d) of the Act, after due notice to interested persons and giving them an opportunity to be heard, to approve and carry into effect by order the recommendation of Industry Committee No. 61 if he finds that the recommendation is made in accordance with law and is supported by the evidence adduced at the hearing and taking into consideration the same factors as are required to be considered by the Industry Committee, will carry out the purposes of Section 8 of the Act; and, if he finds otherwise, to disapprove such recommendation;

NOW, THEREFORE, notice is hereby given that:

I. The recommendation of Industry Committee No. 61 is as follows:

Wages at a rate of not less than 40 cents an hour shall be paid under Section 6 of the Fair Labor Standards Act of 1938 by every employer to each of his employees in the Meat, Poultry, and Dairy Products Industry (as defined in Administrative Order No. 201) who is engaged in commerce or in the production of goods for commerce.

II. The definition of the Meat, Poultry, and Dairy Products Industry as set forth in Administrative Order No. 201, issued June 16, 1943, is as follows:

The assembling, processing, and marketing of meat animals and meat animal products, poultry and poultry products, and dairy products.

a. It includes, but without limitation, any product or by-product obtained from livestock, poultry, wild fowl and game (including meats, milk, and eggs) and any other product which is derived from any other form of animal life (such as fish, reptiles, and frogs), and which is assembled, processed or marketed for animal or human consumption.

b. Provided, however, that the definition shall not include:

(1) Storing performed by an independent warehouse.

(2) Any product included in the Leather Industry; Drug, Medicine, and Toilet Preparations Industry (as defined in the wage orders for these industries); or in the Canned Fruits and Vegetables and Related Products Industry; and the Chemical, Petroleum and Coal Products, and Allied Manufacturing Industries (as defined in Administrative Orders Nos. 182 and 193 respectively).

The definition of the Meat, Poultry, and Dairy Products Industry covers all occupations in the industry which are necessary to the production of the articles or the operations specified therein including clerical, maintenance, shipping and selling occupations, provided, however, the definition does not cover such clerical, maintenance, shipping and selling occupations (a) when carried on in an establishment or department exclusively engaged in wholesaling or selling, the greater part of the sales of which establishment or department are sales of products which are not included in this industry; and (b) when carried on exclusively in connection with the sale of articles not included in this industry; and provided, further, that where an employee covered by this definition is employed during the same workweek at two or more different minimum rates of pay, he shall be paid the highest of such rates for such workweek, unless records concerning his employment are kept by his employer in accordance with applicable regulations of the Wage and Hour Division.

VI. Any person interested in supporting or opposing the recommendation of Industry Committee No. 61 may secure further information concerning the aforesaid hearing by inquiry directed to the Administrator, Wage and Hour Division, United States Department of Labor, 165 West 46th Street, New York 19, New York, or by consulting with attorneys representing the Administrator who will be available for that purpose at the Office of the Solicitor, United States Department of Labor, in Washington, D. C. and New York, New York.

VII. Copies of the following document relating to the Meat, Poultry, and Dairy Products Industry will be made available on request for inspection by any interested person who intends to appear at the aforesaid hearing:

Report entitled, Memorandum to Industry Committee No. 61 for the Meat, Poultry, and Dairy Products Industry, prepared by the Economics Branch, Wage and Hour Division, United States Department of Labor, June 1943.

VIII. The hearing will be conducted in accordance with the following rules, subject, however, to such subsequent modifications by the Administrator or the Presiding Officer as are deemed appropriate.

1. The hearing shall be stenographically reported and a transcript made which will be available to any person at

prescribed rates upon request addressed to the Administrator, Wage and Hour Division, United States Department of Labor, 165 West 46th Street, New York 19, New York.

2. In order to maintain orderly and expeditious procedure, each person filing a Notice to Appear shall be notified, if practicable, of the approximate day and the place at which he may offer evidence at the hearing. If such person does not appear at the time set in the notice, he will not be permitted to offer evidence at any other time except by special permission of the Presiding Officer.

3. At the discretion of the Presiding Officer, the hearing may be continued from day to day, or adjourned to a later date, or to a different place by announcement thereof at the hearing by the Presiding Officer or by other appropriate notice.

4. At any stage of the hearing, the Presiding Officer may call for further evidence upon any matter. After the Presiding Officer has closed the hearing before him, no further evidence shall be taken, except at the request of the Administrator, unless provision has been made at the hearing for the later receipt of such evidence. In the event that the Administrator shall cause the hearing to be reopened for the purpose of receiving further evidence, due and reasonable notice of the time and place fixed for such taking of testimony shall be given to all persons who have filed a notice of intention to appear at the hearing.

5. All evidence must be presented under oath or affirmation.

6. Written documents or exhibits, except as otherwise permitted by the Presiding Officer, must be offered in evidence by a person who is prepared to testify as to the authenticity and trustworthiness thereof, and who shall, at the time of offering the documentary exhibit, make a brief statement as to the contents and manner of preparation thereof.

7. Written documents and exhibits shall be tendered in duplicate and the persons preparing the same shall be prepared to supply additional copies if such are ordered by the Presiding Officer. When evidence is embraced in a document containing matter not intended to be put in evidence, such a document will not be received, but the person offering the same may present to the Presiding Officer, the original document together with two copies of those portions of the document intended to be put in evidence.

8. Subpoenas requiring the attendance of witnesses or the presentation of a document from any place in the United States at any designated place of hearing may be issued by the Administrator at his discretion, and any person appearing in the proceeding may apply in writing for the issuance by the Administrator of the subpoena. Such application shall be

timely and shall identify exactly the witness or document and state fully the nature of the evidence proposed to be secured.

9. Witnesses summoned by the Administrator shall be paid the same fees and mileage as are paid witnesses in the courts of the United States. Witness fees and mileage shall be paid by the party at whose instance witnesses appear, and the Administrator before issuing subpoena may require a deposit of any amount adequate to cover the fees and mileage involved.

10. The rules of evidence prevailing in the courts of law or equity shall not be controlling.

11. The Presiding Officer may, at his discretion, permit any person appearing in the proceeding to cross-examine any witness offered by another person insofar as is practicable, and to object to the admission or exclusion of evidence by the Presiding Officer. Requests for permission to cross-examine a witness offered by another person and objections to the admission or exclusion of evidence shall be stated briefly with the reasons for such request or the ground of objection relied on. Such request or objections shall become a part of the record, but this record shall not include argument thereon except as ordered by the Presiding Officer. Objections to the approval of the Committee's recommendation and to the promulgation of a wage order based upon such approval must be made at the hearing before the Presiding Officer.

12. Before the close of the hearing, the Presiding Officer shall receive written requests from persons appearing in the proceeding for permission to make oral arguments before the Administrator upon the matter in issue. Those requests will be forwarded to the Administrator by the Presiding Officer with the record of the proceedings. If the Administrator, in his discretion, allows the request, he shall give such notice thereof as he deems suitable to all persons appearing in the proceedings, and shall designate the time and place at which the oral arguments shall be heard. If such requests are allowed, all persons appearing at the hearing will be given opportunity to present oral argument.

13. Briefs (12 copies) may be submitted to the Administrator following the close of the hearing, by any persons appearing therein. Notice of the final dates for filing such briefs shall be given by the Administrator in such manner as shall be deemed suitable by him.

14. On the close of the hearing, the Presiding Officer shall forthwith file a complete record of the proceedings with the Administrator. The Presiding Officer shall not file an intermediate report unless so directed by the Administrator. If a report is filed, it shall be advisory only and have no

binding effect upon the Administrator.

15. No order issued as a result of the hearing will take effect until after due notice is given of the issuance thereof by publication in the Federal Register.

Signed at New York, New York, this 29th day of July, 1943.
